## Principal's Message:

Dear Parents,  
We want to wish all of our families here at WCMS a peaceful, safe, and happy holidays! Thank you for all of your support and dedication each and every day. We are all here to serve the WCMS Community and provide the best possible education for every student!

We want to remind all of you of our School Safety Program involving our School Resource Officer (SRO). Officer Hetherington has provided Law Related Education (LRE) instruction and training for our students, staff, and parents. This proactive and prevention-based program has our SRO in the classrooms on a weekly basis helping our students and staff learn more strategies that can promote the safest possible school environment. As a result of this program, WCMS has a School Safety Assessment and Prevention Team that meets on a monthly basis. Our Team meets on an on-going basis to determine the use of the SRO consistent with the needs of our school.

Our Parent Council also wants to remind all of you to sign up for Power School Mobile Application. Look for it in the app store on your mobile device!

Dr. Roman Soltero  
WCMS Principal
