

Wade Carpenter Middle School  
Awesome Lives Here!

Dr. Roman Soltero, Principal  
Mariebeth Silva, Asst. Principal

Dear Parents,

Seeking Parent/Family/Community guidance in creating an Action Plan to maintain or modify policies and procedures to guide all students to success and for a positive transition to what follows their current grade level.

Wade Carpenter Middle School has been actively engaged in creating a Comprehensive Needs Assessment (CNA) as required under new Arizona Department of Education mandates and federal Every Student Succeed Act (ESSA). The CNA, completed with help from administrators, teachers and staff, and parents has been completed and is being used to guide the development of the school's action plan. It is at this stage before the action plan is finalized that we seek your comments and concerns. We are asking you to either approve the plan as presented, add actions you feel need to be included, or modify certain actions that were included.

The principles that were included in the Wade Carpenter Middle School plan are as follows:

**Principle 1- Effective Leadership**

The Action Steps under this principle are:
