District Spelling Bee

Congratulations Ahmed Otero, for getting 1st place in the school Spelling Bee! 2nd place winner was Johanna Silva.

Principal's Corner:

Dear Parents,

There is so much excitement going on here at WCMS and we want to share with you how busy the students, teachers, and staff have been during the month of January.

Ms. Oaks, our Resource Teacher, has just completed selection of 25 7th and 8th Grade girls who will be participating in the TECHNOLOCHICAS Program. This is a partnership between WCMS and the Santa Cruz County Superintendent of Schools Office. The TECHNOLOCHICAS will provide an amazing opportunity for our students to participate in Science, Technology, Engineering, and Math (STEM) activities.

WCMS held our first College and Career Day, on the 100th school day of the year (January 23), and it was an amazing success. We had over 20 agencies from throughout the Santa Cruz County Community who participated. Our students dressed up professionally and approached the event with pride and distinction. This proved to be a valuable educational experience and all of the guests were truly impressed with the way our EAGLES conducted themselves. **Mrs. Silva, Ms. Tapia, and Ms. Mendez** deserve tremendous credit for their planning and organization of COLLEGE AND CAREER DAY. We could not have done the event without them.

The National Junior Honor Society conducted their annual Induction Ceremony on January 25 and we want to recognize and thank Ms. Arellano for all of her hard work. The students were excited and their parents demonstrated the support that is so critical to a successful partnership. These 8th Graders are truly the leaders for us here at WCMS.

On Friday, January 26, we concluded our week with two special events. Our Parent Cafecito was informative and our SRO provided some important updates on the Law Related Education he is providing here at WCMS. We also held 100 Day Celebration Assembly with performances from our Excellent Students. WCMS Mariachi, Folklorico, POMS, Cheers, Junior Anza Birding Club, and National Junior Honor Society were truly amazing as the entire school had a great time together in the Gymnasium. Bien Hecho Aguilas!

Roman Soltero-Principal
